Teacher Information Form

Judith Andrews, Ph.D. | Licensed Psychologist (# 2-5577)

The following student has been referred to me for a psycho-educational and/or psychological evaluation. The purpose of this form is to assist me in developing a more thorough understanding of your student. Your information supplied here and on the Teacher Behavior Rating Scale (that you will receive by email) enables me to understand this student in the educational/classroom setting.

Thank you in advance for your time spent supplying your observations and candid opinion regarding this student. Please mail this form to me in the envelope supplied to you as soon as possible. Until I receive you information, I cannot complete my evaluation and diagnostic impression of this student. For that reason, you information is vital and timely return is appreciated.

Please feel free to add any information or elaborate on the back of this form. Please attach copies of any previous testing results, report cards, grades, and any other diagnostic information which you have and feel is important.
